Waterwood Partners, LLC

Waterwood Partners, LLP represented by principals Frank Markey and Terry McLachlan made presentations to the WIA Board at the May & June Board Meetings.

Their "Re-development Proposal" includes but is not limited to a revitalized golf course, renewal of the swimming pool and tennis courts, new club house, a 120 slip marina, 50 new cabins to rent, revitalize the RV park, and establish a community store and gasoline operation.

They are looking for a five million dollar investment from all concerned parties. They have asked WIA to consider investing approximately two million dollars. This matter has been referred to the WIA Real Estate Committee chaired by Earl McVay for research.

WNN "Happenings"

Looks like the old club house and the cabanas will soon be torn down. Word is that bids are being taken to tear down those "eye sores".

We have a new owner/operator of our EMS service. Allegiance Ambulance Service represented by their CEO David Phillips was presented to the WIA Board.

As information, if trees happen to fall into our streets, please call the San Jacinto Sheriff's office Trees in Street, call sheriff at (936) 653-4367. They will handle this matter to see that the trees are moved.

Believe it or not, our trash situation is improving. We are now on a twice per week service and the location of the dumpsters are being studied.

Speaking of trash!! Our debris dump needs YOUR help. When dumping your debris, please go to an area down the road from the large piles of debris. Try not to pile on the higher piles on the right.

Also, do NOT drop off any limbs that are over 4 inches in diameter. Anything larger can not be run through the mulching machine. You will have to haul these larger limbs to the county dump on Highway 190. Thank you for your help in this matter.

Our maintenance group has started our mowing season. They will get the Parkway and our subdivision mowed ASAP. Thanks for your patience.

Attend Your WIA Board meetings. Meetings are held on the third Monday of every month. Your input can make a difference.

The meetings are held at the WIA Board Room in the WIA office next to the VFD Garage. Mark your calendar, see you in July.

Long time resident, J. D. Smith passed away on May 20, 2012. Our deepest sympathy goes out to his family and friends.
