Garage Sale Successful

The Waterwood Women's League (WWL) had a very successful Garage Sale held on Saturday, April 21st, at the VFD. Total sales grossed over \$5000.00.

These proceeds will go into the scholarship fund to be awarded to students from Onalaska or Coldspring High Schools. These scholarships aid in furthering graduates with their education at either a college or a vocational school.

The WWL thanks all the Waterwoodians who supported this sale. Special thanks to the many volunteers who helped to make the Garage Sale so successful.

57% of the sales came from the merchandise section, 15% of the sales came from the plants, 12% of the sales came from the clothing section, 8% of sales came from the food sales and 8% came from the raffle.

WNN "Happenings"

April Showers, Some BEAUTIFUL cool nights and those 80 degree days are sure to bring May flowers and more color to our neighborhood.

The tomato farm on Bay Hill is producing as we speak. We've invested more money in plants, food, fencing and etc. than we will save by not buying store produce, but look at the fun we will have chasing squirrels out of the garden.

There was a water spout on Lake Livingston in April, photo from the "[Lake Livingston Area i_TOWN](#)".

More home sales are happening in our neighborhood and new neighbors too. Things are looking UP for 2012.

Waterwood Partners, LLC the group who bought lots and land in Waterwood are working on a "Re-development Proposal" for our community. The "Proposal" will be presented to property owners in the near future. WNN will keep you posted on future developments.

"May the best of 2011 be the worst of your 2012 "

THE WNN IS PUBLISHED ON A MONTHLY BASIS. THE ARTICLES AND COMMENTS ARE WRITTEN TO INFORM AND ENTERTAIN THE PEOPLE WHO LIVE AND/OR OWN PROPERTY IN THE WATERWOOD COMMUNITY. IF YOU HAVE ANY COMMENTS OR SUGGESTIONS, PLEASE CONTACT US. THANK YOUR FOR READING THE WNN.

Waterwood Women's League

On May 9th the WWL will visit the Presley Pecan Farm in Lovelady, Texas. The meeting will start at 11:00 a.m. Election of officers for 2012-13 will be held.

A picnic lunch will be enjoyed while a presentation called "A Year in the Life of a Pecan Baron Barren" will be given by Gene Presley. He will talk about the joys, trials and tribulations of producing pecans in East Texas.

The trees are in full leaf and some are showing signs of a good crop. You'll finally understand why pecans are so expensive and why fresh pecans taste so much better than the out-of-season grocery store pecans.

HUSBANDS ARE WELCOME! Please bring your own bag lunch and lawn chair. Drinks will be provided.

Please RSVP to Trista at 713-705-2801 or respond via email by Monday, May 7th if you will be attending and if you will be bringing your husband.
