

Waterwood Neighborhood News

Waterwood Is the **BEST** Place on the Lake

Waterwood is the best community on Lake Livingston. Sure I live here and I am biased, but folks I drive around this lake on a daily basis and I have seen most of the neighborhoods. **Waterwood is the BEST.**

Sure there are larger and more expensive homes elsewhere. Sure there are better marinas and boat facilities. Yes, some communities have a lot more activities planned. Some have prettier entrances than Waterwood. **Waterwood is still the BEST.**

We have underground utilities. We don't have poles and wires hanging all over. We do not have Septic Systems. We have paved streets throughout our community. You do not have to travel through a trailer park to get to Waterwood. **Waterwood is the BEST.**

We have full time, 24/7, security traveling throughout our community rather than having a guard sleeping at the gate, or nothing at all. We have an EMS unit assigned at Waterwood 12 hours a day. We have street lights that work. We have a Volunteer Fire Department with three vehicles. **Waterwood is the BEST.**

We have a full time management team, Joe and Lisa. We have a full time maintenance crew taking care of our needs. We have two waste dump sites close by, rather than having to drive to the county areas. **Waterwood is the BEST.**

We have an active Architectural Control Board watching for problem areas. We don't have boats and trailers setting in driveways or on vacant lots. We don't have tents or trailers used for weekend retreats. We don't have cars and trucks parked in front yards. **Waterwood is the BEST.**

Most "Waterwoodians" are friendly. They wave and smile when you drive by or when they are out walking by your home. Neighbors are there to help you when needed. **Waterwood is the BEST.**

Thank you Waterwood and you "Waterwoodians" for having the **BEST** place to live on Lake Livingston.

WNN "Happenings"

January 2013 must have been cold in Waterwood, because we got the highest light bill since 2001, WOW!

The Front Page article on Waterwood was originally published in the **WNN** May of 2007. Isn't it remarkable that we are still #1, with all of the changes we've had since then. **Waterwood is still GREAT!**

We had another feature article that was scheduled for this month. We were unable to print it but we hope it will appear in the March edition of the **WNN**.

Does your vehicle have a Waterwood Sticker? The sticker system sure helps our security force in identifying who should be in our neighborhood. It is easy to get one. Go by or call our WIA office and they will help you get one. Thanks for your support in this matter.

If you happen to see one of our Security vehicles with its light flashing, then the new procedure of more exposure is working. This new practice will accomplish its goal of making our Security Team more obvious.

We are still having some trash problems. PLEASE try to drop you "bagged" trash into the dumpster, not on the ground. Thank You!!

The **WNN** is working on a tree replacement plan for the community. We have lost so many trees over the past few years because of the drought, its time to try and plant some young trees to make up the loses. The new program should be ready soon and it is our plan to announce it in the March 2013 **WNN**.

Fitness Social, Saturday, February 2, 2013 starting promptly at 10:00AM. The program will start with a 2 mile walk at 10am, then an Introduction to Pilates at 11am and an Introduction to Yoga at 11:30am.

Pilates and Yoga are great ways to achieve strength, flexibility, mobility and body awareness through low impact exercises. The walk will begin at the WIA office. The group will then walk to LaTrobe; then pass the tennis courts; and back down Waterwood Pkwy to the WIA office.

Sunday Evening Worship	6:00 PM
Wednesday Prayer Meeting	7:00 PM

MARK YOUR CALENDARS

Covered Dish Dinner February 17th 5:00 PM

IN MEMORIAM

Bob Willborn

1937 - 2012

Bob Willborn, a respected “Waterwoodian” and friend, passed away on December 29, 2012. Bob was born on January 11, 1937 in Big Spring, Texas to Ervin and Ethel Willborn. He graduated from San Angelo High School and then graduated from Texas Tech University in 1960 with a degree in Petroleum Engineering.

After Graduation, Bob became a Drilling Engineer. He moved his family all over the world, finally moving to Houston. He retired from LL&E as Director of International Drilling in 1996.

Bob was an outdoorsman and sportsman. He enjoyed fishing, golf and hunting. He was a member of the First Methodist Church of Huntsville, Texas.

Bob and Pat were married on June 8, 1963. Together, they raised a daughter Stacy (Willborn) Anderson and son Timothy Willborn. They have three grandchildren. “Bob will be remembered as a loving and supportive husband and father and a kind and generous friend.”

Waterwood Women's League News

The Waterwood Women's League (WWL) met at the Grower's Outlet in Willis on January 9, 2013. The program was a presentation on the preparation of spring gardening. David Teas and Terry Wibberg made an informative demonstration.

Before the general meeting, the members ate lunch in the Market Café. President Sally Charlton welcomed new member Marcia Echols and Pam Combs. The December 2012 meeting minutes were approved.

The Treasurer's report was given by Jane Miller. Tracie Taylor reported that \$300 for Care Share and many toys were collected for distribution in San Jacinto County at last month's meeting.

President Sally announced that an updated roster insert was available. Future corrections to the roster will be sent out over email. Any new corrections should be sent to Trista Byrd at tbbyrd612@yahoo.com.

The WWL will have their annual Valentines Dinner on February 13th. Husbands or significant others are encouraged to attend, but those members without a partner, please know that you are definitely invited to join in the festivities.

The Valentines Dinner will be held on February 13th, **6pm** at the Homestead Restaurant, 1215 19th Street in Huntsville. Everybody will pay for their own food on separate checks.

The restaurant needs to have the **head count** and what **everyone wants to order** (salad, main course, and dessert) by **February 6th**. It is **very important** that members respond to Trista by return email or call her at 713-705-2801. Please state the **number of people** and **what your choices are for dinner for each person**:
